

**CD NCIP INC.**

**2024 Product Catalogue  
Bath & Kitchen**

[www.ncipfaucet.com](http://www.ncipfaucet.com)

**The Global Professional Faucet Supplier since 1979**  
**Your Global Partner**  
**A Total Solution Provider**

# CIP stands for "Cooperation in Peace".

As an international company, NCIP INC. has continued to grow and thrive over the years, providing high-quality services and high-quality products to customers.

## Enterprise Management Certification

## Production Base

Manufacturing Site  
in Jiangmen, Guangdong, China

**Dahata Inc.**

**1985**

Started plastic injection molds as well as plastic injection parts in Taiwan and began to export plastic injection molds.

**1998**

CIP established second factory (Giessdorf Plumbing) in China, mainly to produce hardware products, Vitreous China (Toilet), Cabinet, and became top 5 brand in China.

**1979**

**1990**

CIP made its first move into China manufacturing and established a factory names Ultrawide Plumbing Inc.

**2009**

CIP officially changed its name to NCIP INC., and its Chinese factory was renamed DAHATA INC.

Here, NCIP focused on bathroom and kitchen hardware production and established an international one-stop service for production, packaging, and shipment to countries around the world.

**2011**

Introduced a fully automatic processing system along with low pressure casting technology for an improved brass manufacturing process.

**2015**

Achieved EPA requirements "on-site plating" resulting in a long-term license renewal for plating products on-site.

**2020 and on**

Be a global faucet solution provider & an ESG company by establishing flexible design platform, upgrading overall manufacturing processes with efficient conveyor system and promoting sustainable production.

**2012**

Obtained ISO 14001 certification to reduce environmental impact and recognize the importance of sustainable development.

**2018**

Implemented the SAP system to promote efficient data processing, analysis and circulation across countries and departments.

# Core Capability

## Product Certification

## Factory Birdview

- Established: 1998
- Land Area: 170,000 SQM
- Building Area: 55,000 SQM
- Authorized for [in-house plating](#) under environmental regulations.

## Core Competence

R&D Design & Vertical Integration

Product Development

Tooling Design and Making

Zinc Die-casting

Brass Casting

CNC Automatic Polishing

One Stream Production

In-house Plating Line

PVD Workshop

Automatic PVD Line

## Superior Quality of Surface Treatment Finishes Options

CP  
Chrome

SN  
Satin Nickel

MB  
Matte Black

SB  
Satin Brass

GM  
Gun Metal

RS  
Rose Gold

## ESG is part of NCIP's DNA Sustainability Initiatives

Certified by ISO14001  
EMS (Environmental Management Systems)

Pollutant Discharge Permit

Green Medal (Highest Level) of  
the Enterprise Environmental Evaluation

Advanced green energy power generator  
and wastewater recycling equipment

## Quality Guarantee

## Quality Capability

State-of-the-art and highly efficient assembly lines, and a variety of testing machines to guarantee quality.

Our lab can perform faucet tests in compliance with North American standard( ASME, NSF and CSA), EU standard(like EN817 and EN274 etc.), Australian AS/NZS3718, Saudi Arabia SABER SASO, and other market standards.

Spectrometer Analysis  
for metal composition

3D CMM Dimension Measurement

X-Ray Plating Testing

Life Cycle Testing

Salt Spray Testing

Water Pressured Testing

## Product Innovation

## Zinc Casting Spout Body with Plastic Waterway

- Patented hybrid design offers [no lead nor toxic waterway](#)
- In compliance with California AB100 low lead requirement [\(Q<1\)](#) & NSF/ANSI/CAN 61 – 2020

Lead-free innovation  
in every drop
